

Queercamp's mission is to engage the Milwaukee LGBTQ community in a discussion. A learning, sharing, growing, passionate environment for creating an inclusive gathering place for all community members, emerging leaders, and loving supporters.

Join us in creating this FIRST EVER opportunity for our community to gather together to learn, to grow and create our future.

Bucketworks is both the gathering place and the fiscal sponsor of Queercamp. They are a local non-profit organization (Tax ID # 20-0422699) with the mission to provide a supportive and connecting environment for members of the art, theatre, dance, business, technology, and leadership communities.

Want to help make Queercamp a success?

Then join with us in creating the first ever Queercamp. There are many ways we need your help:

- 1) Attending Queercamp
- 2) Presenting a session at Queercamp
- 3) Spreading the word about Queercamp
- 4) Donating
- 5) All of the above

Since Queercamp is completely free for anyone to attend, we rely on the generosity of donations to provide the food, refreshments, venue, location/entertainment for pre and post Queercamp parties. You can help by a monetary donation, or offering to supply food/refreshment/etc directly. We also are looking for promotion partners, who will commit to helping spread the word of Queercamp.

Sponsorship levels

\$50- 199: Queercamp Friend

\$200 or more: Queercamp Family

(Customized sponsorships are also available. Please contact us directly for more information.)

The benefits of sponsoring Queercamp:

Other than the good feeling of helping create an unconference where knowledge is shared, problems are solved and people are connected, sponsoring also brings other benefits. All sponsors will have their name and logo on the Queercamp web site, as well as displayed at the Queercamp event at Bucketworks in April. In addition to the above benefits, Queercamp Family members will also be provided booth/table space to promote and share their business or organization.

Please make your checks payable to:

Bucketworks
